## GENERAL INTRODUCTION

In accordance with the provisions of General Laws, Tercentenary Edition, Chapter 9, section 7, as amended, and Article XXI of the Amendments to the Constitution as appearing in Article LXXI thereof, a census of the inhabitants of Massachusetts as of January 1, 1965 was taken under the jurisdiction of the mayor of each city and the selectmen of each town on forms provided by the Secretary of the Commonwealth and in accordance with his instructions. This census consisted of enumerating the inhabitants of each municipality by name, address, sex, and age on family cards. The cards, together with a sworn statement of the total number of persons enumerated, were forwarded to the office of the Secretary from each of the 351 municipalities in the Commonwealth for verification and tabulation.

In accordance with the provisions of General Laws, Tercentenary Edition, Chapter 9, section 6, as amended, the special enumeration of legal voters required by Articles XXI and XXII of the Amendments to the Constitution as appearing in Article LXXI thereof, was determined by obtaining a sworn statement from the election commissioners or registrars of voters in each city and town of the Commonwealth, of the number of registered voters in their respective cities or towns on January 1, 1965, specifying in the case of cities the number of registered voters in each ward, and in towns of twelve thousand inhabitants or over which vote in precincts, the number of registered voters in each precinct.

TABLE 1. — POPULATION OF MASSACHUSETTS FOR 200 YEARS, AS DETERMINED BY CENSUS ENUMERATIONS, 1765-1965.

[The Commonwealth of Massachusetts covers part of the territory originally granted to the Plymouth Company of England. It grew out of the consolidation of the colonies of Plymouth and Massachusetts Bay. The settlement at Plymouth began with the landing of the Pilgrims, December 22, 1620. The colony of Massachusetts Bay originated with the settlement under John Endecott at Salem, in 1628. In 1643, a confederacy was formed consisting of the colonies of Massachusetts Bay, Plymouth, Connecticut and New Haven. In 1692, under a new charter given by William III, the colonies of Massachusetts Bay and Plymouth were consolidated as a royal province, including also Maine. In 1780, after the Revolution, the present State Constitution was adopted. In February, 1788, the Constitution of the United States was ratified by Massachusetts. The colonists in New Hampshire, in 1641, as a measure of protection and defence against the Indians, allied themselves with the colony of Massachusetts Bay and remained part of said colony until 1679, when New Hampshire was made a separate royal province, Massachusetts thereby losing part of its territory, January 1, 1680. The territory now comprising the State of Maine was set off from Massachusetts by an act passed March 3, 1820, taking effect March 15, 1820. By the Province Charter of 1692, certain islands now comprising the county of Dukes County and Nantucket County were ceded to Massachusetts from New York (see county of Dukes County). Certain common lands in Berkshire County, known as the District of Boston Corner, were ceded to the State of New York May 14, 1853. By a settlement of a boundary controversy between Massachusetts and Rhode Island, certain exchanges of territory were made between these States April 10, 1861.]

<sup>1</sup> Includes 1,569 Indians distributed by counties as follows: Barnstable, 515 (of which 230 were in Mash, pee); Berkshire, 221 (in Stockbridge); Bristol, 167 (principally in Dartmouth and Freetown); Dukes-313 (of which 188 were in Chilmark); Middlesex, 37 (in Natick); Nantucket, 93; Plymouth, 223.

<sup>2</sup> Includes 4,761 colored population, distributed by counties as follows: Barnstable, 171; Berkshire, 216; Bristol, 585; Dukes, 59; Essex, 1,049; Franklin, Hampden, and Hampshire (aggregate), 245; Middlesex, 702; Nantucket, 133; Plymouth, 487; Norfolk and Suffolk (aggregate), 682; Worcester, 432.

<sup>3</sup> The discrepancy which may be noted between the State and the United States Census figures for 1840 and 1850 is, partly at least, due to the exclusion from the State enumeration in those years of "paupers and convicts in the State Prison."

The net land area of Massachusetts for the census of 1965 is 7,838.7 square miles as compared with 7,876.3 square miles in 1935. The reduction of 37.6 square miles was occasioned by a taking by the Metropolitan Water Commission, under chapter 240 of the Acts of 1938, for Metropolitan water supply purposes.

Using the figure 7,838.7 square miles since 1940, and the figure 7,876.3 square miles for former periods, the following population densities are indicated:—
